

CHARITY REQUESTS

Please review the information below before submitting a request to Nottingham Forest Foundation.

Nottingham Forest Foundation is committed to supporting charities and community organisations that are making a positive difference across Nottinghamshire. We recognise the important work carried out by local causes and are pleased to consider requests that help raise awareness and support fundraising activity.

Support is provided through the donation of official Nottingham Forest Football Club memorabilia, where appropriate. Please note that we are unable to provide financial donations, sponsorship, match tickets, player appearances or other forms of support outside of memorabilia contributions.

Eligibility Criteria

To be considered, requests must meet the following criteria:

- Requests must be submitted by a registered charity or recognised community organisation based within Nottinghamshire or the surrounding local area.
- Applications from organisations outside our local area will not be considered.
- Requests must be submitted with sufficient notice before your fundraising activity or event. We recommend submitting requests as early as possible, as we are unable to guarantee that all applications can be supported.
- Donations are limited and considered on a case-by-case basis, taking into account availability and the number of requests received.

National Charity Campaigns

During national fundraising campaigns such as Children in Need, Sport Relief or Comic Relief, Nottingham Forest Football Club may provide support directly to the relevant campaign. During these periods, we kindly ask that you do not submit requests relating to these national events.

Protecting Charitable Organisations

To help protect charities and community groups from fraudulent requests, we may carry out additional checks or contact other football clubs, organisations or relevant bodies to verify the authenticity of applications. These checks help ensure that support reaches genuine charitable causes.

How to Apply

If you believe your request meets the criteria above, please contact us by emailing:
